MAINTENANCE SUPERVISOR – Watertown, MA

For nearly a century Barclay Water Management, Inc. has been recognized as a leading provider of water treatment programs to protect water and steam heat exchangers and related piping systems. The company's Environmental Group develops custom water hygiene programs to minimize the risks associated with Legionella bacteria and other waterborne pathogens in building water systems. A closely controlled water treatment program is an essential element in every streamlined facility. We focus on providing clients with superior, cost-effective water treatment products and services, delivered by some of the most experienced and educated water treatment engineers. We are currently looking for a **Maintenance Supervisor** to work in our Manufacturing Facility in Watertown, MA. This position may require occasional overtime hours.

Responsibilities include:

- Responsible for purchasing maintenance equipment and supplies
- Maintenance of all manufacturing equipment and physical plant
- Provide emergency/ unscheduled repairs of production equipment
- Perform mechanical skills, including but not limited to, mechanical, electrical pneumatic, hydraulic troubleshooting and repair
- Read and interpret equipment manuals to perform required maintenance and service
- Diagnose problems, replace or repair parts, test and make adjustments
- Perform a variety of plumbing maintenance and carpentry functions
- Use of a variety of hand and power tools, electric meters and material handling equipment in performing duties

Qualifications include:

- Experience with maintaining manufacturing equipment and working in a physical plant
- Good mechanical, plumbing, and carpentry skills required
- Experience using hand and power tools, electric meters and material handling equipment is required
- Excellent oral and written communication skills
- Valid driver's license with a good driving record
- Must be authorized to work in the United States

Barclay Water Management, Inc. offers a competitive salary and benefits package including an ESOP (Employee Stock Ownership Plan). Qualified Technical Service Specialist candidates are encouraged to send a cover letter and resume to our Human Resources Department at careers@barclaywater.com.
