

Junior Quantitative Analyst

The Debt Exchange, Inc. (“DebtX”) is the largest full-service loan sale advisor and loan analytics provider in the country, serving commercial banks, insurance companies, investment banks, debt funds and other financial institutions. DebtX provides a creative and comfortable work environment and the exciting opportunity to be part of a fast-paced growing company.

As part of our Analytics Team, the Junior Quantitative Analyst provides basic quantitative analysis and support, develops spreadsheets and assists with statistical analysis and valuation of various types of loans. This position also interacts with our trading and development teams to assist in the identification of key data elements for use in the asset pricing models.

Responsibilities:

- ◆ Assist in the development and operation of quantitative models to predict mark-to-market prices of residential, commercial, consumer and C&I loans.
- ◆ Develop proficiency with proprietary trading database and tools to pull and analyze data for use in the statistical research and analysis.
- ◆ Provide basic programming support in R, SQL and/or VBA/Excel as needed.
- ◆ Produce loan portfolio valuation reports, stress testing and analysis.
- ◆ Provide and automate data scrubbing functions, as necessary.
- ◆ Assist with ad hoc requests and projects.

Required Experience:

- ◆ Undergraduate degree in Finance, Statistics, Engineering, Economics, Mathematics or other program that is technical and quantitative in nature.
- ◆ Advanced Excel skills with VBA, R and/or SQL programming experience.
- ◆ Familiarity with various statistical software packages.
- ◆ Experience with Looker, Tableau or other data visualization products.
- ◆ 1-3 years of financial industry experience, preferably in credit analysis or risk management arena.
- ◆ Demonstrable basic financial acumen.
- ◆ Strong attention to detail.
- ◆ Team player with strong communication and interpersonal skills.
- ◆ Strong analytical skills with the ability to dissect quantitative and qualitative information.
- ◆ Passion and desire to work in a dynamic setting and culture of learning.

In joining our team, you'll enjoy great benefits, a creative work environment, and the exciting opportunity to be part of a fast-paced and growing company. DebtX provides a competitive salary and generous benefit package, which includes medical & dental, long-term health care insurance, life insurance, long & short-term disability, paid vacation, sick time and holidays, and a 401K retirement plan with a company match.

Please include a cover letter with your resume.
